## RULES FOR STUDENT CONDUCT ON BUSES

Creekside Christian Academy considers the school bus an extension of CCA itself, and rules regarding behavior are the same as in the school. Bus safety is a primary concern of the school, and we reserve the right to take whatever action is necessary to maintain a high level of safety. The right of a pupil to school bus transportation is a qualified right, dependent on good behavior. In cases where a pupil seriously or continuously misbehaves, an administrator of the school will notify parents. Bus privileges will be revoked if, in the opinion of the administrator, such action is necessary for the general safety and well being of other students.

- Arrive 5 minutes early to be ready when the bus arrives.
- Be orderly, quiet and considerate of people and their property in the vicinity of bus stops.
- Bus drivers have the authority to assign seats, give directions, and implement rules for the safe and orderly conduct of students.
- Acceptable public behavior will be expected of all bus riders.
- Pass in front of the bus (not behind) when crossing the street to or from a bus.
- Do not enter or leave the bus when it is in motion. Remain in your seat at all times.
- Pupils shall not open any windows without permission. Do not throw anything out of the window. Do not put your hands, arms or any parts of your body out of the window at any time. Do not open the rear exit emergency door unless there is an emergency or the driver directs you to open it.
- No eating, drinking, or chewing gum are allowed on the bus; help keep the bus neat.
- Vandalism, destruction, or defacing of property will not be tolerated.
- Shouting, fighting, or offensive language will result in the loss of bus privileges.
- Bus drivers will report violations of the above.
- Students are required to have *parental permission in writing* of any changes in regular transportation arrangements. Please call the school office before 2:30 p.m. with any last minute instructions to give ample time to notify the student, the teacher, and the bus driver.
- The bus driver has full authority, as well as responsibility for control of, the conduct of pupils while they are on the bus. Pupils should not annoy the operator or distract his/her attention from driving. The driver should be treated with courtesy and respect at all times.
